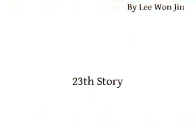
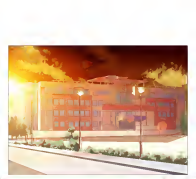
the Skylark says

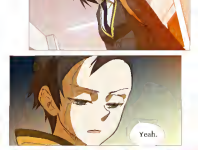
By Lee Won Jin

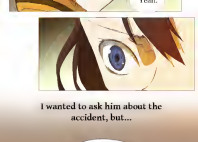
23th Story



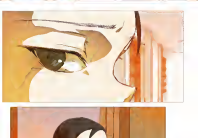


What, are you coming back to school?

I came to... get my stuff. I leave tomorrow.


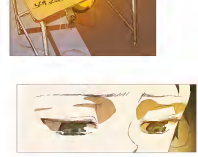
Oh...you're leaving? Are you going back to Germany?


Yeah.

I wanted to ask him about the accident, but...


Well, take care of yourself.

Nothing can be done now. It can't be helped...



Hey...
"Oh he threw, as a memento of his performance, a bow to the audience."
"...with that bow, he symbolized an end to his time with the most lovely violin ever to have existed and known to mankind."

Hi, my perilla leaf hairstyle friend!!
This is the first time I've seen you in a week.

??
What did they suppress...?

I heard that you were suspended for a week... Was it difficult?
No, didn't the other kids say that you were carried to the nurse's hospital and that nobody could se... you?

So, they said that Sae's rich, as he bought the whole school and the school foundation
Hey! Something like that doesn't matter now!

Actually, I suddenly wanted to listen to you play the violin.
I think only you can do it, perilla leaf hair style.

The violin is broken, the CD was also kicked [illegible] recording!
In... it's okay... When I return, I'll get a new one...
Damn it, such a rich bastard...

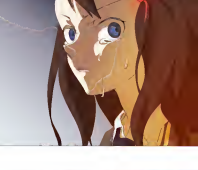
I said, lend you a new one!!!
Do you want to die or [illegible]?

Play

Kimura?

We captured him!!

Now, let's go practise!

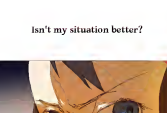


Didn't you notice, or were you only located on a grass?
The situation that you are in, it's real life.

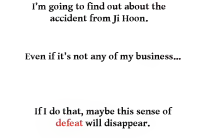
What...

Wasn't I still okay?

Rather than babysitting a mentally challenged kid, my situation is...



Isn't my situation better?



I can't explain why even if I try to think about it.

I'm going to find out about the accident from Ji Hoon.

Even if it's not any of my business...

If I do that, maybe this sense of defeat will disappear.

I desperately hoped so.
